LE ROSEY

“ Le Rosey has prepared me to explore all of my different passions. So hopefully I can have a major in the sciences, but also take courses in the arts, take courses in different languages and really develop the skills that I have learned and loved at Le Rosey.

The one thing I will cherish from Le Rosey now that I'm graduating is the friendships that I've made and the community around me. It's not just your class that you graduate with – it's the people who have been here for generations and I feel like I share this sort of bond with all of these people.

To anyone who is coming to Rosey I would tell them to be themselves. It's such an open and accepting place. It has really allowed me to develop who I am and not hide from my true identity... to make real friends and create meaningful connections with people from all over the world. ”

Caroline Marshall, Princeton University

Le Rosey

ROLLE · GSTAAD · CRANS-MONTANA

Our younger sister school, Le Régent International School in Crans-Montana, boasts an ultra-modern alpine campus.

Experience two remarkable summer programmes hosted under the guidance and expertise of Le Rosey Camps.

## LAKE GENEVA CAMPUS ROLLE

**Le Classique (July)**  
**Summer School (August)**

In Rolle, 30km from Geneva city, Le Rosey's main campus (for the boys) and the *La Combe* campus (for the girls) are situated within landscaped grounds covering 30 hectares.

The campus was established in 1880 in the *Château du Rosey*, with its extensive estate. The historic original building, dating back to the 14<sup>th</sup> century, was then a run-down medieval castle, but it was carefully renovated and the campus improved during the 20<sup>th</sup> century.

The Paul & Henri Carnal Hall, known as the school's Arts & Learning Centre, includes a cooking lab, visual arts and photography rooms, theatre and music studios. At the heart of the building is located the 900-seat Rosey Concert Hall.

### School and boarding facilities:

- Bedrooms (2 beds) with ensuite bathrooms
- 53 classrooms
- 48 apartments for teachers living in the boarding houses
- A theatre, an amphitheatre and a 900-seat Concert Hall
- 2 gymnasia
- 4 specially-equipped sports rooms: 2 fitness rooms, 1 martial arts and 1 dance studio
- 3 dining rooms
- 2 cafés
- An industrial laundry (providing laundry services for both bed linen and personal laundry)
- A graphic arts studio
- 10 tennis courts
- 1 synthetic rugby field, 1 synthetic football field, 1 outdoor basketball court
- Beach volleyball and beach football courts
- 2 outdoor pools and 1 indoor pool.

### Off campus, Le Rosey also owns:

- A private equestrian centre housing 30 horses, 1 indoor riding school, 1 dressage area
- A private nautical centre equipped with 10 dinghies, 3 motor-boats, 3 yawls and laser sailing boats
- At sea: *Ipharra*, a 102-foot catamaran sailing yacht.

## GSTAAD MOUNTAIN CAMPUS

**My Family (June/July/August)**

During our summer holidays, the Schönried campus in the picturesque Swiss region of Gstaad — a famous mountain resort nestled in the Swiss Alps— hosts summer camp participants in large Swiss chalets set in some of the most beautiful scenery in Switzerland.

This region abounds with sites of natural beauty and has an excellent infrastructure, allowing visitors to make the most of sporting and mountain pursuits in safety.

Since 1916, the whole school has moved up to the mountains during the winter season to offer its students a term of sun, snow and winter sports, whilst continuing their regular school programme.

### School and boarding facilities:

- Bedrooms (2 beds) with ensuite bathrooms
- Classrooms
- IT room, equipped games rooms and lounges
- Apartments for teachers living in the boarding houses
- Infirmary
- Dining room.

### Off campus, campers have access to the following high-quality facilities during our summer programmes:

- Swimming pools
- Tennis courts
- A bowling alley
- Zip-lining routes and cross country tracks
- Climbing walls and Via Ferratas laid out to help students learn to climb in a safe environment
- A centre for alpine expeditions.

## Mountain Adventure Week

Discover trails in the Bernese and Wallis Alps, learn rock-climbing, cross obstacles, crevasses and glaciers. Work as part of a team while setting up and taking down a camp every day, and learn how to live in a community. Most nights are spent in mountain huts.

A unique opportunity to enjoy a superb adventure in the heart of the spectacular scenery of the **Swiss Alps**.

## Offshore Navigation Week

After this exciting week in the mountains, you will then fly from Geneva to join our 102-foot Sailing Yacht, Ipharra, for a splendid cruise in the **Mediterranean**.

Learn the history of the islands you will visit. Discover the beauty of natural sites, relax aboard Ipharra of course, enjoy water sports every day!

Get a chance to see first-hand how to handle a large yacht using both engine and sails; how to calculate routes using maps and electronic navigation equipment; appreciate the importance of teamwork and mutual respect.

## Staff & Teachers

During the **Mountain Week** you will be under the guidance and responsibility of a mountain-seasoned Le Rosey teacher, a professional mountain guide and a trained first-aider. During the **offshore Sea Week**, the Le Rosey teacher will accompany you along with the whole Ipharra crew: captain, mechanic, cook chef and steward.

## The Ipharra Yacht

**Ipharra** is a 34-metre (102-foot) catamaran sailboat built for offshore cruising. It is a secure, well-furnished, fast yacht which has 4 triple-berth cabins with bathrooms for the students and 3 cabins housing the 5 crew members.

Ipharra also has a classroom equipped with IT resources; a huge cockpit which serves as a dining room/meeting area and cinema; a reading room, and a flying deck used for marine observation, astronomy and sun bathing!

The yacht also has a dinghy used for exploration and two small sailing boats, electric powered sea bobs (also used for exploration), snorkelling equipment, kayaks, water-skiing and wakeboarding equipment, not to mention all the usual modern security equipment - GSM and satellite communication and navigation systems.

# Frequently Asked Questions

by Parents

## WHAT IS THE LINK BETWEEN *Régent Camps* AND *Le Rosey Camps*?

Since 2019 Le Rosey and Le Rosey camps entered into partnership with Le Régent, bringing 140 years of education experience to assist with the school's new direction and identity.

During the summer, experienced Rosey Camps directors run two programmes in Crans-Montana in collaboration with Le Régent staff to ensure that Régent Camps reflect the school's values and spirit, while benefitting from Le Rosey Camps' experience in organising exceptional summer programmes.

## THE CAMP I WANT IS *too long*, CAN I REGISTER FOR A *short stay*?

All of our camps have a fixed duration and we are unable to accommodate late arrivals or early departures. All students are expected to complete the full programme, and the official dates are the arrival and departure dates.

## DO YOU OFFER *day camps*, OR ONLY BOARDING CAMPS?

Since Le Rosey's foundation over 140 years ago, students have lived at the school.

We like our camps to be the same way because we are firm believers that the shared experiences of the boarding life are irreplaceable and an essential part of the Rosey experience.

Our sister camp in Crans-Montana, Régent Camps, does offer a day-camp option, true to the philosophy of Le Régent International School.

## HOW DO I *register* MY CHILD?

Applications are to be submitted online, starting in November. We will then get in touch to let you know if there are places available for the chosen camp, and if not, we will suggest a waiting list or a different camp.

## HOW DOES THE *boarding house* work?

Camp teachers live on the floor with the students, ensuring everyone's well-being and safety. During mealtimes, each student is assigned a table which is also shared with the camp teachers.

Boys and girls sleep in separate buildings. However, sports and activities are mixed. In Rolle, students are split into Juniors (until age 12) and Seniors (13 onwards). The main difference is an earlier bedtime and the possibility of doing different activities as well as living in different buildings. All our rooms are spacious twins with ensuite bathrooms. In Rolle, some of the youngest Juniors may be in a co-ed building, where one floor is for boys and one floor is for girls.

## CAN WE MAKE A *room mate* request?

Of course! As long as they are the same age, and naturally, boys and girls sleep in separate buildings. If no special request is provided, we will organise the rooms' occupancy before camp starts, and make sure that each room is occupied by 2 different nationalities/cultures to make sure an intercultural exchange can happen.

## WILL *someone be at the airport* TO WELCOME MY CHILD?

A Rosey desk is situated in the Arrivals area at Geneva Airport. Children travelling alone are met by our staff and driven to camp. Transfers to and from Le Rosey are included in the camp fee as long as they take place on the official dates of start and end for camp. Outside these dates, the transport will be charged to the student (around CHF 150 between Rolle and the Airport and CHF 500 between Schönried and the Airport).

No transportation is organized from/to Zürich Airport. No plane reservation, flight changes or visa applications can be made by Le Rosey Camps during your child's stay with us.

If you are travelling with your child, we are unable to offer you joint transportation. The Lake Geneva Campus in Rolle is just 30 minutes from the airport. The Gstaad Mountain Campus in Schönried can be reached from the airport in 2h30. Both campuses are accessible by car or train.

## WHAT DO I DO IF MY CHILD HAS *health issues*?

Parents are requested to provide a health questionnaire for their child at the time of enrolment signed by the Family Doctor. Please make sure to include any important medical information we need to be aware of, such as allergies or medication. Le Rosey Camps is not responsible for any missing information or health concerns ensuing as a result.

Healthcare professionals are available 24/7 on campus. They are qualified to give first aid and deal with minor ailments. They are in regular contact with local doctors, will set up medical appointments and ensure that the children take their medication. Any prescribed medication is kept and administered by the nurse; self-medication is not allowed.

Our staff are vigilant with regard to the school rules on the personal hygiene of each child such as taking a shower daily, brushing teeth and wearing appropriate clothing. Anti-bacterial hand gel is available in dining rooms.

## CAN I *visit the camp*?

Visits are not allowed during the week. During the weekend, a diverse programme of activities and excursions is on offer. Students who choose to leave for the weekend with their parents, may do so on Saturday after lessons and must return on Sunday by 6pm. The Direction must receive a written invitation by midday Friday at the latest.

Please note that only students and staff are allowed in the residential buildings. Parents and visitors are asked to announce themselves at reception.

## What *kind of food* IS THERE AT THE CAMP?

Internationally-inspired meals are served in buffet style. Meals are prepared by our own chefs who pay meticulous attention to quality, presentation and flavour to produce healthy, balanced menus.

Vegetarian menus are also offered. Any food allergies should be clearly indicated in the health questionnaire. Meals on the menu containing pork will be indicated. Unfortunately, we are unable to provide vegan, Kosher or Halal meals.

## What *clothes* DOES MY CHILD NEED TO BRING?

When your child's place at the camp has been confirmed, we will send you our recommended packing list.

## HOW IS *pocket money* given TO MY CHILD?

The suggested amount of pocket money is included in the invoice sent to you after registration. Children will be able to withdraw small sums of pocket money, 2 or 3 times per week, from the person in charge. Expenses such as medical fees in case of illness, personal expenses (UM services, stamps, phone calls, shopping, excess baggage, etc.) and the transport to/from Geneva airport outside the camps' official start and end dates are paid from the remaining pocket money.

Any amount still outstanding from the camp fees on the child's account may also be settled from the child's pocket money. The sum of CHF 150 from the pocket money is held until the last day in case of any unforeseen expenses. The remaining balance of pocket money is given to the child upon departure. If you wish to leave extra pocket money with the Direction, please note that only cash in Swiss Francs is allowed.

## CAN MY CHILD USE A *mobile phone*?

Mobile phones are allowed, but their use is restricted to specific times during the day: after lunch, before dinner and just before bedtime, strictly following the rules given by the Camp Director. For the rest of the day, and at night, phones must remain in the student's personal safes or turned in to their teachers. Repeated abuse of our phone policy will result in confiscation of the device.

## IS THERE *internet access* DURING THE CAMP?

Wi-Fi is available during the camp, strictly following the rules given by the Camp Director.
